Speaking. Academic and General Practice Tests Questions Sets 101-150 has been created to help students like you continue to practise for the real exam. This book contains over 1000 questions. It is up to you to come up with as many different ways to answer them as you can, to help you practise for the real exam. You can give this book to your ESL tutor who can give you some guidance on the many different ways that a native English speaker can answer the questions, or you can ask your friends to choose random questions from the book to help you become more familiar with the style of the test, and to answer faster. Through practising these, and other questions in the series, you will be able to become more familiar with the types of questions asked in the

exam and be better able to respond confidently. If you're not doing an IELTS practice test daily, for at least a few months before the exam, you will find it harder to get the band score that you want. Even native English speakers who don't study for the IELTS test can fail to get the band score they need.
