*Eschatology: the Signs of the Times of Jesus Christ's Soon Return* Sandra Y. Washington 2009-11 The Purpose of The Book: Eschatology: The Signs of The Times Of Jesus Christ's Soon Return was originally a title of a thesis. Rev. Washington was inspired to publish the thesis into a book format. She was inspired to alert the readers that Jesus' coming is closer than they think and that it is important for them to be aware of the signs of the times that tell of Jesus Christ's close return for those who received His salvation. This book will included the events that will occur during the Rapture, the Great Tribulation, The Millennial Age and the Perfect Age.

The Sum of All Ages Durwood White 2017-12-02 In this narrative we lay out the groundwork for a detailed study of the sum of all ages in four sections: Eternity Past, Ages Past, Present Age, and Eternity Future. We shall start at the beginning-before time as we know it to set the stage of God's creation of this planet, which we call Earth. Our theme is prophecy! Prophecy is history written in advance. Prophecy's accuracy hinges upon the dependency of the One who is history-that person is Jesus Christ. Bible prophecy is God's description of future events (Acts 15:18). God's Word contains 10,385 predictions. Each one has been or will be fulfilled in the minutest of detail. God's

Word has proven itself by not failing even in one small point concerning Christ's First Advent. Prophecy concerning the Second Coming is also being fulfilled leading up to the end of this age, and skeptics must forever admit they failed to believe the Son of the Living God (Rom. 3:4). He will come again (Acts 1:11). Must one reject Christ's salvation and forever exist in the torture of the eternal judgment? No other religion but Christianity has written prophecies that have been fulfilled during our lifetime. There is only one prophecy remaining on the timeline of the ages before the Son of God-Jesus Christ returns to this earth as he prophesied; the rapture of the Church, which signals Seven-year tribulation and the race to judgment of the world. Prophecy is the theme of the Old Testament, and the key to all the promises of our Lord and Savior, Jesus Christ. Prophecy has been neglected by many preaching pastors, and the congregations are milk-fed and immature in the Word of God. God is the author of prophecy. He is the creator of all things past, present, and future, the first and the last, and there is no other God in the universe, because He created everything. He holds the world in his hands and controls our next breath. Regarding the Christian dead, the Bible teaches that the body is asleep in one place (the grave) whereas the soul is alive in another place (heaven). To be "absent from the body" is to be present with the Lord (2 Cor. 5:8). When Christ returns at the Rapture, he brings those that sleep (are dead) with Him (1 Thess. 4:14). You ask, How can He bring the dead with Him and still come for the dead (cf. 1 Thess. 4:16)? The souls and spirits are with the Lord, but the bodies are in the grave of the earth. That's why Christ brings the "dead" (souls and spirits) with Him so they may be reunited with their bodies. That is why the dead in Christ rise first. With all the information that now hides in the shadows of our minds revealing why and how the Lord will return for the Church, His Appearing is still clueless for most Christians. Even the New Testament writers expected the Lord's return at any moment (Phil. 3:20). All signs of the Lord's return have to do with the coming of Christ to set up his Kingdom on Earth (The Millennium). The end-time signs are only indicators of the approaching Rapture, because this event precedes the establishment of the Kingdom by seven years: the Tribulation, Daniel's 70th week of years. What relationship exists between the Rapture and prophetic signs? None! The Rapture is a "blinking of the eye" and the Church is evacuated before the great judgment of the Tribulation hour, which is all about Israel! There are two "appearing" of Christ at the Second Coming. Christ "snatches" (rapture) out the Church before the Tribulation (His Appearing) and meets His Bride (Church) in the heavens. Christ returns as the roaring Lion of Judah (His Revelation) at the time of Armageddon (His Revelation). Of course, there are many views about tribulation, the millennium, rapture and the Second Coming. We shall deal with all these questions here in this narrative.

**Jesus' Return** Elton Sirles 2021-07-08 The second coming of Jesus Christ is the hope of believers that God is in control of all things, and is faithful to the promises and prophecies in His Word. In His first coming, Jesus Christ came to earth as a baby in a manger in Bethlehem, just as prophesied. Jesus fulfilled many of the prophecies of the Messiah during His birth, life, ministry,

death, and resurrection. However, there are some prophecies regarding the Messiah that Jesus has not yet fulfilled. The second coming of Christ will be the return of Christ to fulfill these remaining prophecies. In His first coming, Jesus was the suffering Servant. In His second coming, Jesus will be the conquering King. In His first coming, Jesus arrived in the most humble of circumstances. In His second coming, Jesus will arrive with the armies of heaven at His side. Are you preparing for that day? Will you be there with the rest of the sanctified Saints? Do you know the signs, times, and events that lead up to the Second Coming of Jesus Christ? This book will give you the knowledge you need to understand this great event and what it will be like to live during the Millennium. It will give you a clear understanding of the events leading up to, during, and after Christ's reign upon the earth. Finally, and perhaps most important of all, it will give you the scriptural documentation you will need to confirm these truths for yourself.

*A Quick Look at the Rapture and the Second Coming* Tim F. LaHaye 2013 What is the rapture? When is the second coming? Why is there so much talk about Bible prophecy, and what is it all about? There's no better place to go for clear, specific answers than to God's Word, which is what Bible prophecy expert Tim LaHaye does in this Quick Look guide to the last days. This book, based on decades of careful research, presents a concise picture of the end times. You'll learn about the two most important events to take place in the future--the rapture and second coming--and along the way, discover answers to questions such as... Will Christ's return be literal, or is it merely symbolic? What signs of the last days can we expect to see in the days ahead? How can you be ready for these events?

*Keeping Watch* Tom Killoran 2015-09-17 Jesus commanded that his followers faithfully watch for his return. This command clearly implies there is something to watch for! But what exactly is that? How are we to recognize the specific signs of his coming? What differentiates false messiahs, wars and rumors of war, famines, pestilence, persecution and earthquake the signs Jesus gave from those same afflictions that have plagued man since the beginning? What is it that makes the period of history immediately prior to Jesus return identifiably different? Keeping Watch unveils the answer, identifying the specific signs of Jesus return and why these signs are unique to a particular event at a particular moment in history an event already beginning to unfold! Keeping Watch clarifies the biblical precepts by which God judges people and nations. The application of these precepts to the book of Revelation reveals that the seals, the first set of seven so-called judgments, are not actually judgments at all, but rather a series of events fulfilling the signs of Jesus return. When considering the signs and their fulfillments together, the story of a world-shaking conflict unfolds a conflict that brings nations to their knees while fulfilling every sign Jesus gave his disciples! Jesus declared, When you see all these things, you know that he is near, at the very gates. Truly, I say to you, this generation will not pass away until all these things take place. We are that generation!

**The Rapture & the End Times Prophecies For Beginners** Hugh Wesley Wilson 2014-10-10 Does what you see happening in our world today make you wonder just what the future holds? You've probably heard, read or seen on TV the predictions of Nostredomus, the I-Ching, the Mayan Calendar, Merlin or others, but have you read just what the Bible has to say about the future. You will be amazed at what you see unfolding in the world today and how clearly the Bible foretells these events. Do you know that the Bible paints two different pictures of Jesus returning, first one in which he doesn't return back down to the earth, he only returns in the air and removes those that the Bible refers to as 'in him', they will not experience death but will return with him back to heaven. This has now become known as the Rapture. If you have never read what the Bible has to say about what the Church calls end time prophecies, if you don't know what is referred to as the Rapture, or what the difference between the Rapture and the 2nd coming of Jesus is then this book is for you. After reading this book you should have a good foundation on Bible prophecy and what the future holds. The end is actually a glorious one.

**The Sign of Christ's Return** Sr. Pittman 2008-10 Learn how Solar and Lunar Eclipses, Jubilees and Sabbatical Years are announcing the Coming of Christ. The Sign of Christ's Return will show you what to look for to be ready for the return of Christ! We are less than 10 years away from His Return! The Sign of Christ's Return is loaded with invaluable prophetic information that you will be amazed by and will enjoy reading. It also has a very strong message of salvation. This is a great book to place in the hands of one who is lost! The 1st great event in Man's history is, of course, his creation by Almighty God. Satan deceived man, and they were banished from the home God made for them. The 2nd great event in Man's history was the flood of Noah's day. God offered people deliverance, if they would believe the preaching of Noah and enter the Ark. Satan again deceived the people of Noah's day, and all perished except for Noah and his family. The 3rd great event in Man's history is the Salvation of mankind. God has offered to the world the gift of eternal salvation when Christ died on the cross and rose from the dead three days later. Yet again, Satan has worked feverishly for the past 2000 years to discount the record of Christ and to keep people from accepting the gift of Salvation! The 4th great event in the history of Mankind is about to take place: The Return of Jesus to Earth by 2018!"

**2 Thessalonians** Dietrich Gruen 2018-08-07 In Paul's second letter to the Thessalonians, he continues to encourage them to stand firm in the hope of Christ's return. Second Coming. • Personal study between meetings • 7 sessions • Includes study aids and discussion questions

**Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater 2014-06-18 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. - Is the seven year tribulation really a biblical term? - Is the church literally raptured in Revelation chapter 4? - Are there signs that precede the return of Christ? - Is the rapture really an invisible event? - Are Christians exempt from tribulation? - Where did the true roots of the pretribulation rapture come from? - What does the day of the Lord have to do with the rapture? These questions and many more are answered in Exposing the Fallacies of the Pre-Tribulation Rapture. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth about the rapture.

*Signs and Symbols of the Second Coming* Sean Castel 2014-05-25 MILLIONS OF CHRISTIANS ALL OVER THE WORLD ARE AWAITING HIS ARRIVAL. . . WILL HE RETURN IN OUR LIFETIME? . There is a general consensus among a large group of UFO believers that we should await some form of open, mass landing seen by the entire world. What if this expectation is not fulfilled until the Battle of Armageddon? Perhaps we are mistaken in looking for a "morally indifferent" landing on the White House lawn and should instead anticipate a vengeful mass landing in which the often seen flying saucers return to destroy the armies gathered by the Antichrist and establish the millennial reign of Jesus. . Theories about the Second Coming and how it will manifest itself are varied and many-faceted. Sean Castel's "Signs and Symbols of the Second Coming" makes the job of sorting between competing beliefs a little easier by providing answers from a range of theological and paranormal experts. For instance, what does the Second Coming mean to ordained minister Dr. Barry Downing? Downing's impressive academic background in both science and religion, combined with a longtime study of the UFO phenomenon, makes his opinion as "expert" as they come. . Biblical prophecy expert Gary Stearman discusses how the long awaited Rapture will be timed to events in Israel and explains how UFO waves in that embattled stretch of Earth have always been an expression of God's unfolding plan in the modern world. One must learn to live with the idea that the Day of the Lord will arrive as a "thief in the night," catching the entire world off-guard and entering our reality unannounced. . There are also chapters offering a less apocalyptic view of the Second Coming. In interviews with religious and UFO scholar Dr. Brenda Denzler and prophecy researcher G.C. Schellhorn, Christ's return is portrayed as a quieter transformation of humankind's collective consciousness, a kind of moral rebirth taking place on levels too subtle to be readily apparent to the unenlightened observer. What if Christ and the other prophets can achieve their merciful ends without a "blood and guts" confrontation with the wickedness of the world? . The legendary husband and wife team of Brad and Sherry Steiger are interviewed for separate chapters about their beliefs on the Second Coming. Brad recalls his youthful days in Bible class and explains how his views are now less extreme, less black and white regarding what we mean when we discuss things like the fearful aspects of the Book of Revelation. Meanwhile, Sherry also feels her childhood religious beliefs and even time spent in a Lutheran seminary as a young woman did not prepare her for the truths she would later discover. What should be emphasized, she believes, is the commonality between all world faiths and the peaceful, good intentions of the prophets who introduced them to us. Yet she concedes she is troubled by portions of Book of Revelation and believes the Mark of the Beast could easily become a reality. Read her chapter in "Signs and Symbols of the Second Coming" to find out why. . Did the late Dr. Frank Stranges correctly identify the Antichrist? He is among the many who have tried to "name names" in that regard, but in this exclusive interview he explains his reasoning for doing so in some detail, while at the same time decrying the "fear mongers" who use the Second Coming

to terrify rather than to inspire. Will the UFOs eventually spread the wisdom and grace of Christianity to the entire universe after carrying out the Second Coming on Earth? . Finally, the author himself touches on the possible use of holograms to stage a false Second Coming and offers a checklist of signs to watch for in the countdown to the Day of the Lord. We stand on the threshold of Doom and Salvation, and the mysterious, ubiquitous UFOs are a crucial element of both.

*The Second Coming of Christ* Clarence Larkin 2010-01-01 The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1918 work outlines exactly what the Bible predicts for the end of mankind's reign on Earth, and the return of the Christian savior, with a special emphasis on who is to be saved, and why. Numerous charts and illustrations depict the "Judgment Seat of Christ," "The Stages of the Second Coming," the "Failure of Man," and more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

**The Second Coming** John F. MacArthur 1999 Jesus Christ was very clear: one day He will return-- and none of us knows when. However, if you listen to the sensationalists who claim to know the specifics, it's easy to forget that many of the details of Christ's return have been purposefully shrouded by God in mystery.

**When Will Jesus Come?** Dave Hunt 2003-07-01 Bestselling author Dave Hunt's exploration of biblical prophecy focuses on Christ's powerful words "I will come again" to encourage today's believers with the excitement, responsibility, and faith this promise evokes. **The Second Coming of Christ** Mohammad Amin Sheikho 2014-12-16 The book of "The Second Coming of Christ; the return of Jesus Christ" This book is exquisitely new. It is strange but true: about things that are not said, informed by the events that are happening around us, and facts that are beyond dispute. Actually when you start reading this book you will not be able to leave it without coming to the last page of it having a very precise, new, logic and Divine knowledge. It is as true as the life in you is. You find in this piece of new knowledge many issues which prescribe the reality in abstract style having brought it into minds as vivid facts: What is the wrong with the life of high technologies? Do you believe that this contemporary technologies are the main source of misery of our life?! Why do people abandon God and where Do they direct their destination into? What is God's purpose of the afflictions and difficulties which He has driven to people and nations? What are the reasons behind the destruction of the old nations? Do you think that the whole world is coming to the same fate of the old destructed nations? What is the last resort of escaping from this horrible end? What is the real meaning of the Hour which is mentioned in the Divine texts? Is it the Doomsday or the hour of ruining events which will overwhelm most of the whole world? What are its indications and what is the real actual meaning of each one of them? **The Church in the Coming Great Tribulation** Steve Urick 2013-06 Christians today are widely being taught that the next event on the prophetic calendar is the "any moment" and "signless" Rapture of the Church. Thus, the bride of Christ will not have to go through the Great Tribulation. But is that what the Bible truly teaches? The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord, as revealed by Jesus and the apostles. If you have questions about the Rapture, or doubt some of the things that are being taught by modern-day prophecy teachers, this timely work sheds light on the subject and will help clear up any confusion you might have.

**The Entire Endtime Sequence** Robert L. Carlton 2012-08-03 In recent times, many people have come to realize that this world is approaching its end. Most believe that GOD is in control of how it will end, and they are right! Not only is GOD in control, He has a Master Endtime Plan for this earth and its peoples. Moreover, in His Holy Word, the Bible, GOD has described His plan; He has described it very clearly and in great detail. This book describes the entire Endtime Scenario, making it so simple anyone can understand it. It reviews the scriptures that describe each major Endtime happening and other scriptures that explicitly define the chronological sequence for those happenings. It identifies several calendar timelines within the scriptures that measure the precise times between various Endtime happenings. To give confidence in its conclusions, it identifies four separate sets of Scriptures that clearly define the sequence for the events that will lead to CHRIST'S return and the Christian Rapture/Ressurrection. Everyone, even those who are not familiar with either the Bible or the Christian theology, should easily understand this book. They will understand the entire Endtime Scenario that JESUS CHRIST foretold, the major happenings that will take place, the sequence in which they will happen, and the specific scriptures that describe all these things. Moreover, they will understand how all of these things relate to GOD'S Covenants and His labors of the past 6000 years. They will see that all of the Endtime happenings are just the grand finale of those labors. Most importantly, each reader will not only allow what is going to happen in the Endtimes, he or she will know how they can control their own eternal destiny.
